Re: *United States v. Joshua Adam Schulte*, S2 17 Cr. 548 (PAC)

Dear Judge Crotty:

The Government requests a one-week extension of the deadline for its opposition to the defendant's motion for leave to file a motion to dismiss the indictment from December 13, 2019 to December 20, 2019. The defendant consents to the Government's request, and asks to be allowed to file a reply on January 10, 2020.

The defendant also seeks, with the consent of the Government, a one-week adjournment of his deadline to respond to the Government's motions *in limine* from December 16, 2019 to December 23, 2019.

The parties are also conferring about the remaining pretrial schedule, including a proposed date for the final pretrial conference, and will update the Court as soon as possible.

12/12/2019

The dates are approved

So ordered

Paul A. Crotty
